18 October 2020: Ages 0-5

Hey Parents! Here is the guide for your Kidzone Online Experience.

This week we continue with our series for the month of October called Sing in the Rain! And it's all about teaching our children that God has everything under control and so we can count on him for anything and everything. We want our children to know that they do not have to worry because God's got it.

Follow along with the service as much as time/interest allows or break it up throughout the day or week. For more resources on this week's lesson, check out the Parent Cue app!

What we are learning:

Bible Story: God hears me and gives me what I need. Hagar • Genesis 21:14-20

Memory Verse: "God is with you wherever you go." Joshua 1:9, NLT

Monthly Bottom Line: God's got it.

How we are learning:

- Watch and engage in a time of worship by watching the worship video provided.
- Practice the memory verse together
- Watch the teaching video
- Do the activity together

Activity:

Traveling weather.

What You Need: Floor tape

What You Do:
Before the Activity: Create a line about eight feet long on the floor of your activity area.

During the Activity: Line up your child at the end of the taped line. One at a time, have your child walk down the line as you call out different kinds of weather from the list below. Your child should respond to the weather you choose as he or she walk. So, if it's snowing, they may cross their arms, shiver as they walk, or put their head down to avoid the cold, etc.

Types of Weather:
- Sunshine
- Heavy Rain

- Hail
- Sprinkling rain
- Windy
- HOT
- Very cold
- Thunderstorms
- Snowing

What You Say:
Before the Activity: “Line up here at the end of this tape line. I want you to walk along the line. BUT, before you start walking, I will call out the weather, and I want you to walk as if you are walking in that weather. So, if I say it’s sunny, show me how you might walk in the sunshine. If I say it’s snowing, should me how you might bundle up to walk in the snow. Everybody ready? Here we go!”

After the Activity: “That was fun! You did a great job showing how you might respond to different types of weather. Today we learnt about a lady who was in really hot weather but how God came to help her because he’s always **got it!**
