

ELEVATE

12 July 2020: Ages 12-14

Hey Parents! Here is the guide for your Elevate Online Experience. We're continuing with week 3 of a brand-new series this week called untitled. When you think of God, what comes to mind? What kinds of labels do you associate with Him? What titles do you give Him? In this series, *unTITLED*, we will begin to remove the wrong titles and mislabels we have put on God. We will discover who God really is instead of who we think He is. This series will unpack specific assumptions, labels, and titles that we have placed on God throughout time.

What we are learning:

Memory Verse: Psalm 51:16-17 MSG: Going through the motions does not please you, a flawless performance is nothing to you. I learned God-worship when my pride was shattered. Heart-shattered lives ready for love do not for a moment escape God's notice.

The Point: Know that God delights in you. You do not need to perform or do more.

Group Challenge: Identify the different ways you try to DO more for God and DO more in your life. This week start to pray that you will simply start enjoying who God is and the life that He has given you.

How we are learning:

- Watch and engage in a time of worship by watching the worship video provided.
- Practice the memory verse together
- Watch the teaching video
- Discuss the teaching

Discussion questions:

1. What are some things in your life you feel like you want to impress people with? Why do you think that is?
2. What are some things in your life you feel like you work hard at for people's approval?
3. Do you ever feel like you disappoint people? If so, how? Why?
4. Do you ever feel like you disappoint God? If so, how? Why?
5. What ways do you feel like you are a talent show judge in your own life? Why do you think that is?

Let us pray together:

Lord today we come before you and ask that you would help and give us a desire to know you better. Lord we pray that we would be people with a heart after you Lord. In Jesus name Amen
